Each entry has been carefully researched and provides a detailed biographical narrative, family background information, and a list of other reference-work entries that feature the person. Examining this magical system from its Renaissance origins to present day occultism, Egil Asprem shows how the reception of Dee's magic is replete with struggles to construct and negotiate authoritative interpretational frameworks for doing magic. The complete lexicon will contain some 3, biographical entries, each entry giving 1 family name, given name sbirth and death dates, family background, and variant forms or spellings of name; 2 studies and positions held before creation as cardinal; 3 date of elevation to cardinal; 4 offices held while cardinal; and 5 sources. OProf. The roles of universities, publishing houses, government agencies, and nongovernmental organizations in producing translations illustrate the effects of national political and cultural climates on translators.
