I'll Know Me When I Find Me - Ashley Strosnider

Jenny Downham, author of *BEFORE I DIE*, says that *IF YOU FIND ME* is "a beautiful book about survival, identity, family, love and so much more."

Related books: [Shes No Detective \(Kelly OQuinn Mystery # 1\) \(Kelly OQuinn Mysteries\)](#), [Your Grace Still Amazes Me](#), [Into The Woods: How Stories Work and Why We Tell Them](#), [Kale, Dragons, and Bears! Oh My!](#), [An Unlikely Governess](#), [The Power Of Praying And Fasting](#).

Full Cast and Crew. Emily Murdoch 's debut is truly fantastic and I hope this is the start of a long and beautiful love affair between myself and her novels. There is something very *If You Find Me* in this book – a number of very ugly things, in fact – but I never felt that ugliness, that quest and desire for survive and the fight necessary therein, ever quite came . But in many cases, I knew that it was WAY too easy. I am ice, slippery and cool, impenetrable and in control. The "secret" is not hard to guess, and when it's revealed at the end, it's not even remotely shocking. There is poetic soul beneath the rough edges of backwoods dialect and unpolished story, and the honesty in the book's emotional journey shines through even when Carey is angry or scared.

Carey is the primary caregiver for her sister and is irresponsible. Actual ratings were parts of this book that made it rather unbelievable, or too coincidental, for example, Ryan's story arc. All-in-all, she's a lefty in a right-handed world, writing her way through life and smearing ink wherever she writes.
