## Climate Science Investigations South Florida - Temperature Over Time

Mar 18, - Warm water is less dense than cold water, so as water cools, it sinks, and warm and warmer Sahara summer winds drive some of the biggest hurricanes Northern Europe's North Sea, which is part of the Atlantic, has seen.

### **The Atlantic Ocean—facts and information**

Nov 28, - Science suggests that there are two types of people who tolerate the cold well. I view this wretched season's icy winds, frozen slush, and musty parkas not as a I've long wondered if I can blame my inability to tolerate cold.
