They can tell us a great deal about how to read and interpret the Bible as well as throwing light on the origins of the literary and philosophical traditions of the Western world. More titles may be available to you. This book gives hard evidence for a completely new explanation for the delays, as well as exposing huge gaps in the understanding of the Scrolls.

An utterly compelling biblical detective story that exposes the truth behind expert Robert Feather exposes a shocking conspiracy at the heart of biblical and archaeological studies, and shines a bold—and sure to be controversial—light on the Scrolls, linking the isolated Essene cult at Qumran with Jesus Christ and the Ancient Egyptian pharaoh Akhenaten, founder of monotheism.
