To complicate matters of interpretation, Nietzsche states in a letter from April that he never had any symptoms of a mental disorder. The book was impressive, but lacked a certain amount of energy.

However, other interpreters of Nietzschesaythatinattemptingtocounteract This book is not yet featured on Listopia. That Nietzsche was able to write so prolifically and profoundly for years, while remaining in a condition of ill-health and often intense physical pain, is a testament to his spectacular mental capacities and willpower.
