Livy wrote that "those whose punishment they were asked to decide were elected military tribunes with consular powers for the coming year. In the meanwhile the whole region had been organized as Gallia Cisalpina, with its southern boundary fixed at the Rubicon, which flows near Rimini.

But among the rural population, the native tongues continued indefinitely. These actions were recognised at the time as being provocative to the Celts and attracted some opposition because of it. Nor is the evidence uniform: while many of the literary representations give expression to positive emotion but also describe its loss, the philosophers offer a more optimistic assessment of the possibilities of attaining joy or contentment in this life.

The city of Modena in the Po River Valley on the Italian Peninsula has been blessed. It raises yet again the question what his father was doing in the fields around the river at Mantua. The boys who swam and net-fished in the lakes of Mantua forty years ago were the same kind as the ones he knew in his brief childhood.
