This proper way of serving others also leads to humility.

Please enter your name, your email and your question regarding the product in the fields below, and we'll answer you in the next hours. Capital and the means of production were now the new source of power which, concentrated in the hands of a few, led to the suppression of the rights of the working classes, against which they had to rebel.

The Eucharist draws us into Jesus' act of self-oblation. It is characteristic of mature love that it calls into play all man's potentialities; it engages the whole man, so to speak.
