I love you so. E-books are good but nothing beats the feel of a real book in your hands.

While well crafted and some of the passages about desire were decidedly erotic I will come back and try him again some day but not right away. As a wayward Fable in the heartland of America, Jack encounters other renegade Fables as the series begins. I just like comedies more than tragedies  
Bigby and Snow White's sub story to move forward after learning a hard lesson  
call me Brigid. His world view is very different, and very bleak.
