I hate having it so. I have been prescribed anti-anxiety pills. The guilt of not being able to do what I did do, or what I should be doing, is killing me. Environmentalhealth. Remember, you only need to clean a few inches, not your entire gut. Baumann offers simple medical recommendations and practices for preventing and avoiding the penalties of yielding to the impulsive and demanding anus. The newest offering uses a solution of probiotics – the gut-friendly bacteria found in yogurt and fermented foods – dissolved in water instead of plain H2O.

But, I'm not ready to give up yet; I don't have delusions about a magical cure but can only go to the bathroom at certain times of the day. I remember from age I felt wonderful and was able to eat anything I wanted!
