This provides the underlying thread for the story and the plot that will eventually tie the two main characters together in ways that are totally unsuspected. Adopting the names of prominent figures in history, the Titans directed the machines to rise up and seize humanity, installing themselves as dictators for life.

This is a key influence on the nature of Herbert's fictional setting.

Never allow yourself to lose before you begin.

Other editions. Suetonius is certainly a more lively read than Livy.
