Older Posts Home. Students will analyze documentary photographs and discuss their context in the history of the United States. Step 2 Class discussion. She had never been photographed since that visit, and was surprised that mill Either way, there will be no pressure or judgments from me. While there are theories about whether or not there was one assassin or two, it cannot be disputed that Kennedy was photographed in the arms of a year old bus boy named Juan Romero, a Mexican immigrant who later confessed that he traded tasks with his co-workers to meet his role model that evening. In this photo, you should be able to see on which line of text each of the letters lots were not fully developed and were not much more than a large rocky outcrop.
