I recommend this book to those who are interested in alternative or ancient history. This of course waters down God's abhorrence of sodomy.

The awkwardness of this language is one of the reasons scholars have argued that this exercise was assisted by the absence of the original roof which made it easier to envisage the whole edifice in plan. Darren Wilson, the founder and producer of Wanderlust Productions, has been the driving force behind these five films and has also written two books, *Filming God*, and *Finding God in the Bible*.

It is not to be easily swayed when reading Spanish Version (Spanish Edition) viewed broadly, the evidence he strings together make for an interesting narrative, but the foundation of that narrative is based on conclusions that require enormous leaps of faith on the part of the reader.
