Through letters from the Pope to the King, it was clear that Nicholas has knowledge of a legendary secret. Modeled after the Church of the Holy Sepulchre in Jerusalem, Templars would erect such structures in various places in Europe. And like its Scottish cousin, it is one of the most peculiar churches anywhere. Time and revolution have damaged and dispersed the sources, and made the Templars a magnet for speculation and imagination. Six years after his death, a convent meeting in Wilhelmsbad from to finally agreed that Freemasonry had no connection to the Templars, and Strict Observance ceased to exist, most lodges being absorbed into the Rectified Scottish Rite.

One must ask "How could the people who entombed the "treasure" recover it? Such allusions, Cullen hopes, will encourage people to find out more for themselves about this period in time and help to prevent the drawing of false parallels between the Templars and modern political movements which propagate themselves through baseless, fictionalised, narratives. They laugh.
