Along with preparing a monograph for publication, tentatively titled Screening Sterile Masculinity: On Male Migrants, Italian Men, and the Future of Italy she is working on a project that investigates representations of aging in Italian cinema. The films discussed can thus be seen as contributions to Italian erotic cinema, a chapter of Italian film history that still has to be written. His great book, On Nature, the world's first coherent philosophical treatise and touch-stone for Plato, Aristotle, and Marcus Aurelius, has long been lost to history--but its surviving fragments have for thousands of years tantalized our greatest thinkers, from Montaigne to Nietzsche, Heidegger to Jung.
