Smith, E. The outer red and white lines forming a square enclosure represent the stylized decorative facade on the four sides of the palace roof, adorned with upright spears, arrows, and banners. For this reason large numbers of paintings and sculptures were produced for the followers and many of these works have over centuries accumulated in Western museums and collections.

ItishereandtheencirclingBarkhorpilgrimcircuitthatmostvisitorsfirst Moving away from Meru, each mountain is half the height of the previous one. During that time all monks received the same allowances, regardless of their status: 25 measures khal of grain annually, 11 measures of butter, and 30 coins srang. Many of the images are not fully in focus and there are very few close-up shots available for examination.
