Helena who is said to have discovered, approximately three hundred years after the crucifixion, what remained of the cross on which Jesus was crucified as well as the crosses on which the two criminals executed with Jesus were hung. Babylon and Jerusalem were at roughly the latitude. Something more bizarre? You are commenting using your Google account. Ignorant Amos. She loves her husband, friends, all children and babies. Why should we say all stars are over us? Do I stop? In either case, I will stipulate that for all I know, it could have happened.
